## SIGN UP EARLY FOR BEST SELECTION

All reservation and space requests will be considered on exhibit space utilized at previous conferences, the character of the proposed exhibit, preference as to location, and date application is received. Every effort will be made to assign exhibit space according to preferences indicated on the application; however, preferred choices cannot be guaranteed. Early sign-up provides your greatest likelihood of obtaining preferred space.

## BOOTH FACILITIES

Perimeter booths will include a draped back wall, 3 or 8 foot high x 10 feet wide; two draped side walls, 3 feet high by 10 feet wide; and a custom-made sign identifying the exhibitor. The entire Exhibit Hall is carpeted; however, exhibitors may wish to provide (or rent) booth carpet to match colors of their exhibit. A detailed exhibitor information package will be mailed to exhibitors.

## EXHIBITOR LIABILITY AGREEMENT

The exhibitor assumes entire responsibility and agrees to indemnify, defend and save the Western Dredging Association, its members, agents, or employees, L. M. Patella, WEDA 29, and The Buttes Tempe Resort and its employees harmless against all claims, losses and damages to persons or property, governmental charges, or fines and attorneys' fees arising out of or caused by exhibitors' installation, removal, maintenance, occupancy,

or use of the exhibit premises, excluding any such liability caused by the sole gross negligence of The Buttes Tempe Resort or its employees. In addition, the exhibitor assumes sole responsibility for insurance coverage to protect against or pay for damage incurred to the exhibit property.

## CANCELLATION POLICY

Cancellation of exhibit space/reservation after May 1, 2009—NO REFUND.

## NO CONFLICTING EVENTS

The exhibitor agrees not to conduct meetings, social events, or any other activity which would encourage absence of attendees from the WEDA 29 during scheduled activities.

## GOOD NEIGHBOR POLICY

Unless otherwise approved by L. M. Patella, the exhibitor agrees to confine display of products, services, signs, literature, et cetera, to their assigned exhibit space and in a manner that does not interfere with visibility of neighboring exhibits. Audio/Video presentations may not be amplified to a sound level that interferes with conduct of neighboring exhibits.

# WEDA 29 & TAMU 40

## “IMPORTANCE OF DREDGING” CALL FOR PAPERS

The Twenty Ninth Western Dredging Association (WEDA 29) Annual Western Hemisphere Conference/Exhibition and Texas A & M's Fortieth Annual Dredging Seminar (TAMU 40) will be held June 14 - 17, 2009 at The Buttes Resort Hotel in Tempe, Arizona. The Theme for this Conference is “The Importance of Dredging”. This will be a forum for discussion between Dredging Contractors, Port Authorities, Government Agencies, Environmentalists, Consultants, Academicians, and Civic/Ocean Engineers who work in the exciting field of Dredging, Navigation, Engineering, and Construction. This announcement is the “First Call for Papers”. Topics of interest include but are not limited to:

- Dredging & The Economy
- River and Inland Dredging
- New Dredging Equipments
- Surveying & Mapping
- Cost Estimating
- Dredging Challenges
- Project Case Studies
- Environmental Dredging
- Dredging for Flood Control
- Dredging Systems & Techniques
- Numerical Modeling
- Geotechnical Aspects
- Superfund Projects
- Dredging for Beach Nourishment
- Beneficial Used of Dredge Material
- Wetland Creation & Restoration

The Technical Papers Committee will review all one-page abstracts received and notify authors of acceptance and final manuscript instructions for production of the proceedings on CD's.

**One-page abstracts must include: descriptive title, author names, author contact information (company name, address, phone, fax, and email**

**address) and abstract (<300 words). Submission of Abstracts implies a firm commitment from the author to present the paper at the conference.**

Interested Authors should send their one-page abstract to one of the following members of the Technical Papers Committee.
