

WESTERN DREDGING ASSOCIATION

Is pleased to present WEDA's 2017 Annual Safety Excellence Award for a Dredging Contractor to

J.F. Brennan Company, Inc.

J. F. Brennan provides every facet of work that is related to the waterways and this requires them to employ many types of skilled workers, including: construction divers, dredgers, construction workers, heavy equipment operators, hydrographical engineers, maritime vessel pilots and crews, engineers and fabricators.

Delivering over 2,225,000 man hours without a lost time incident, J.F. Brennan combines elements of traditional safety management systems, training, leading indicators tracking, technological advancements in safety reporting and data tracking to foster a forward-looking safety culture, driven by employees who exhibit genuine concern for one another's well-being. J. F. Brennan works hard to give everyone a voice so that all employees live their responsibility to speak up for everyone's safety.

JF Brennan Company's exemplary safety commitment and dedication meet and exceed the Western Dredging Association's stated safety desire to raise safety awareness throughout the dredging and marine construction industry and are greatly appreciated.
