

Mr. Thomas M. Verna, Executive Director of the Western Dredging Association, is pleased to announce that Mr. Esteban Sáenz, Executive Vice President for Operations of the Panama Canal Authority, will give the keynote luncheon address at WEDA's 2015 Dredging Summit & Expo scheduled for June 22nd to 25th at The Westin Galleria Hotel in Houston.

Mr. Saenz's progress update and outlook on the Canal Expansion Program will address the forthcoming impacts on global trade routes, dredging, and freight logistics infrastructure throughout the hemisphere.

You can read more about Mr. Sáenz and the Panama Canal Authority at www.pancanal.com.
